Grain Crediting by Exhibit A: 0.25 oz eq.																																															
Exhibit A: Group (A-I)	Description of Product	Portion Size of product as purchased (A)	Weight of one ounce equivalent as listed in SP-30-2012 (B)																																												
Group G	Brownie	1.5 oz	4.4 oz																																												
Whole Grain Grams per serving:	8.2 g		1.5 oz / 4.4oz = 0.34 oz = .25 oz																																												
Product Details																																															
Units per Case:	96 units/cs																																														
Case Cube:	.56 f^3																																														
Case Gross Weight:	10.75 #																																														
Case Net Weight:	10 #																																														
Case Dimensions (in):	9 #																																														
Pallet Tie:	10 x 9																																														
GTIN-12 Code:	0711341844405																																														
Case/Pack Coding System Example:	Manufacture Date/Julian Date/Year (MD/51/20)																																														
Serving Recommendation:	Thaw on a sheet pan in a single layer at room temperature 2-3 hours before service.																																														
Storage Requirements:	Store Frozen at 0°F																																														
Shelf Life:	18 Months Frozen / 3 Days Ambient
