HOLIDAY COOKIES

A NATURAL CHOICE FOR CELEBRATIONS:

At Buena Vista Foods, we're committed to staying ahead of regulatory changes and providing wholesome, compliant solutions for K-12 food service. Our reformulated Whole Grain Holiday Cookies maintain the same great taste with a lighter festive appearance using colors sourced from nature.

COMPLIANT & CONSCIOUS: MEETING REGULATORY STANDARDS:

With growing concerns over artificial food dyes, several states have introduced or passed legislation restricting the use of synthetic colors in food products, particularly in school nutrition programs. In alignment with these evolving regulations, our holiday cookies contain no artificial colors, such as FD&C Red No. 40, Yellow No. 5, or Blue No. 1, which are currently under scrutiny.

We fully comply with the Code of Federal Regulations (CFR) Title 21, Part 73, which governs the use of color additives derived from natural sources such as fruits, vegetables, and minerals. This ensures our products meet the highest standards for safety and transparency while supporting the movement toward cleaner, healthier school menus.
