

Croissants

AHEAD OF PENDING REGULATION CHANGES

As schools prepare for future nutrition standards focused on reducing added sugars and sodium while increasing protein-rich options, Buena Vista Foods is already ahead of the curve. Since 2012, we've formulated our products with all-natural ingredients and developed lower-added-sugar bakery solutions designed for the future of K-12 nutrition.

GET IN TOUCH:

Designed to help drive participation, our all natural, butter croissant items have the scratch like appearance that makes students think of the trendy coffee shops they frequent.
