

Crumbles & Pancake Bowls

AHEAD OF PENDING REGULATION CHANGES

As schools prepare for future nutrition standards focused on reducing added sugars and sodium while increasing protein-rich options, Buena Vista Foods is already ahead of the curve. Since 2012, we've formulated our products with all-natural ingredients and developed lower-added-sugar bakery solutions designed for the future of K-12 nutrition.

PRODUCT FEATURES

- ✓ Lower added sugars
- ✓ Reduced sodium formulations
- ✓ Whole grain compliant
- ✓ All natural ingredients since 2012
- ✓ USDA commodity processing available for SY 2026-2027
- ✓ Buy American compliant
